I wish to thank everyone who has sent me info on my Boley Family, which is from my Mother's line. There are several different spellings also.

I started this back in 1969 and all my grand parents were gone but still had many other members of their family I could call on to get info. Otherwise I worked at the court house, library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop.

This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research.

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves. **These are maybe unknown Boley's**

You will notice different address's but the one above is correct.

I want to thank everyone who has sent me info on my family, and in the process, helped me find some of the most interesting and surprising info.

I started this back in 1998 and all my grand-children have done and still are doing other members of their family. I would like to get info. Otherwise I worked at the post office. I have and continue to find info that I could

I with others could help a week at the El. Wayne, IN library. I am City Library, Madison, WI library and many hours at Columbia, MO library just about every year. When I started, there was a lot of info and I was very happy about the good weather but now one has moved and has passed and the other can't get out any longer and no longer by your help. So decided it was time to stop.

This was before the internet so with a few friends to help me but was just as well as have found a lot of wrong info on the internet. It can't say what is all right either. As much of it was not able to be given for some so just had to go by what we could find. But if anyone has found of what you find is wrong in any of my books I would appreciate knowing as we know every one is not 100% right as no one is perfect, even in research.

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much as I am doing to the places where you can find books themselves. **These are my books, please!**

**NOT SURE IF THE LINES IN THIS BOOK IS CONNECTED
TO MY BOLEY FAMILY LINE OR NOT.**

**SINCE HAD DONE SO MUCH WORK ON THEM WILL ADD THEM
TO THIS BOOK 3 OF MY BOLEY FAMILY AND AFTER MORE RESEARCH
IS DONE MAY KNOW MORE IF ANY OF THEM ARE RELATED OR NOT.**

**I CHECKED SOME OF THEM IN FIND A GRAVE SITE AND ALSO FAMILY
SEARCH AND ROOTS WORLD CONNECT TO SEE IF COULD FIND MORE ON
ANY OF THEM AND DID FIND SOME INFORMATION BUT REALLY DOESN'T
CONNECT ALL OF THEM FOR SURE. SOME ARE CONNECTED BUT AGAIN
NOT SURE IF TO MY LINE FROM ISAAC BOLEY BACK TO THE GERMAN
LINE WHICH I AM SURE IT DOES BUT MAYBE JUST NOT THE LINE THAT
IS IN THIS BOOK FOR SURE. SOME OF THE DATES I HAVE A PROBLEM
WITH SO THAT IS WHY I HAVE PUT THEM ALL IN A SEPARATE BOOK
FROM MY DIRECT LINE AS I KNOW WHAT THAT IS. IT HAS BEEN STATED
BOLEY'S DID COME FROM GERMANY AND JOHANN CARL BOLEY AGE 16 AND
ANTHONY BOLEY AGE 26 DID COME ON THE SAME SHIP TO PHILADELPHIA
FRLM ROTTERDAM IN 1764 BUT STATED UNKNOWN RELATED. SOME HAVE
BELIEVED ISSAC'S FATHER WAS JOHANN (JOHN) CARL BOLEY B. 1748 IN
GERMANY BUT ALSO SAYS HIS FATHER WAS ERASMUS BOLEY AND HE WOULD
HAVE BEEN AGE 72 WHEN JOHN CARL WAS BORN IN 1748. OTHER INFO
SAYS HE DIED 1736 AND OTHERS STATE 1750 SO REALLY NEED TO DO
MORE RESEARCH TO KNOW WHAT IS THE CORRECT LINE.**

Can anyone identify this Augustine Boullay and where he is from in Virginia?

September 16 1685

you might want to check Culpeper Va. I am descended from Thornhills, in Bryant Thornhills will (the appraisal) it lists a John Boulley. This was 1780. Also his daughter married a Boley which could be Boulley mid 1700s. The counties were changed quite a bit so could be Culpeper, Rappahannock, or Orange. Marilyn

Isaac had one child, Margaret, by his first wife (name unknown)

He was a farmer with two land grants of eighty acres each in Franklin Township, Harrison County, Indiana

Isaac moved from Virginia bring with him his first child Margaret to Lincoln County, Kentucky. Sometime after the birth of Nicholas in 1815 and the birth of Elizabeth in 1818

Isaac moved the family from Kentucky to Harrison County, Indiana

JOHN CARL BOLEY

By [MARY SNYDER](#) May 05, 2004 at 07:45:37

Does anyone know anything of a Johan Carl Bole or Boley who left Germany with his brother Anthony Boley on May 10, 1764. He arrived in Philadelphia September 7, 1764 on the ship "BOSTON" out of Cowes, England which is on the Isle of Wight, an island just off the south coast of England. He boarded the ship in Rotterdam, Holland en Route from Germany to England. I am from the line of Anthony but can not find anything written of Johan Carl except the ship list. There is a John Boley born 1752 who married a Rebecca Rector could this be his son?

Cousin Mary, I know what happend to dear John Carl. The last thing written up about him was when he was living in the Indian camp outside of Fort Pitt. Before the Dunmore war. Anthony was on the other side of that afair when he went indian hunting in the Sandusky expedition. Just thought I'd let you know. I believe he was converting the savages. Hope that helps. Lori

Hmmm... some of us had thought Johan Carl Boley to be the father of the John Boley b. ca. 1776 in PA, the Isaac Boley b.1780 in PA, and the Nicholas Boley b. ca. 1786 in VA who show up in Harrison Co., Indiana, up through about 1860.

* This is what we have found being research on John Carl, Isaac, & Nicholas (left)

HUSBAND - Johann Carl Boley

Research done on Johann Carl Boley located several sites on the internet which listed his birth as 1748 and he came to US in 10 Nov 1764 and would have been 16 if birth is right. He was on the ship "Boston", Matthew Carr, Master, from Rotterdam to Philadelphia, PA. Found that info okay. Couldn't find any naturalization papers on him. He was on the manifest of the ship. There was also an Anthony Boley age 26 and one Johann Peter Schahl (which could one Peter Shull/Schull of the Boone family). The info on Johann Carl if born 1748 and died 15 Aug 1860 in VA he would have been 112 years of age, so one of those dates are probably wrong.

Adam Boley from the site of Wikitree listed his parents as Johann Carl Boley and Katherine Metz and only place have seen their name. Most all Boley's from this family don't have any info on their family but if Andrew, grandson is right and they are natives of Germany the name would be right. (GLT)

I definately will question this but will give me something to work on if it is right.

Not sure the birth and death dates are right for Johann & Katherine.

If Johann Carl Boley b. 1748 and d. 1860 he would have been 112 years of age.

If Katherine was 16 b. 1759 when md in ?1775 and died 1877 she would have been 102 years of age. Which we know wouldn't be right.

Again if Johann was b 1748 and md in Germany he came to US age 16 in 1764 and so married in PA as first known child b. 1776 PA.

The other thing is Katherines 2 grandfathers were born 1754 & 1759 so she couldn't have been born that early.

Johann Carl's father was 72 years older then his son. Father b. 1676 and Carl 1748 and again if Johann came to US in 1764 and birth age is right he would have been 16. I'm just afraid these people just don't fit. Certainly need much more research even though found a lot of places on the internet had this same info but with common sense it can't be right. (GLT) So just warning anyone that to be very skeptial about this info before much more research has been done.

I am sure Isaac, John, Nicholas, Adam and George are brothers and have the info on them that is almost to be sure right, as I have done much of their research myself in court houses, cemeteries, libraries and been thru many many books. Just not satisfied about the parents info even though a lot of places have the same info.

All conjecture of the children, but believe John, Isaac, Nicholas are for sure brothers and maybe Adam and George, but Adam and George could be sons of John and Lydia Lawler Boley also. Just not sure.

A grandson Andrew J. Boley son of Adam and Mary Bolley of IN listed in his Find A Grave site that his grandparents were natives of Germany. (Never heard this from any researchers before- GLT).

? Could Anthony Boley be brother to Johann Carl born 1738 in Germany md to Barbara ? . even though 10 years apart in age if 1748 is right age of Johann also born in Germany.

Husband	Johann Carl Boley
Wife	Katherine Metz
Notes HUSBAND - Johann Carl Boley (Continued) Just not sure of Johann Carl Boley's parents since age maybe the problem. There was also an Augustine Bouley 1685 in VA Which no one has actually found too much info on and again could be a relative but will question that until much more research is done. Info: The following apprenticed in London, Isaac Guille, his wife Anna and his childrean Magdalene, John, Peter, Stephen an Joseph G. to serve Augustine Boullay of Virginia, merchant. Total passengers listed on the 16 Sep to 10 Oct voyage was 51 shipping on the "Unicorn" of Bristol. (this doesn't fit the germany line I think?) Also states might want to check Culpeper VA. This person that poisted this info says she is descended from Thornhills, in Bryant thornhills will (the appraisal) it lists a John Bouley. This was in 1780. Also his daughter married a Boley which could be Bouley mid 1700s. The counties were changed quite a bit so could be Culpeper, Rappahannock or Orange. Same site: from Worldconnect.rootsweb listed Isaac Boley had one child, Margaret , by his first wife (name unknown). He was a farmer with two land grants of 80 acres each in Frankin Township, Harrison Co. IN. Isaac moved from Virginia bringing with his his first child Margaret to Lincoln Co. KY. Sometime after the birth of Nicholas in 1815 and Elizabeth in 1818 Isaac moved the family from KY to Harrison Co. IN. (now we know this is my line of Isaac and son Nicholas, from research that has been done) This goes on to say Name: No Name Boley, Death: Virginia, Reference # 561. Note: This is very likly Johann Carl. He arrived from Germany, with his brother Anthony on//// This was copied of pg 2 of 6 (not sure why didn't copy the rest GLT). Might be able to find the site again but things keep changing and may not be able to. WIFE - Katherine Metz If 16 when married in 1775 she would have been born in 1759. (be 102) Just guesses if 20 when married in 1775 born 1755. If born 1755 and d. 1877 would have been age 122 so one of these dates are really not right. Doubt these are the right birth and maybe death dates of Johann & Katherine. Pedigree Chart from Rootsweb site listed Katherine Metz birth place and death date and place (which I have a question about the date and place) Need more research to know for sure what the right info is. Pedigree chart listed her parents Johann Georg and Gertrude Geis Metz. Both said born Germany but died St Peters, Franklin Co. IN. Not able to locate any of these people in Find A Grave site. Johann Metz parents were Johann George Metz 1754 Germany 1826 Germany and Barbara Proper 1756 Germany and 1827 Germany. Gertrude Geis parents were Johann Heinrich Gies 1759 Germany and d. 1841 and Anna Barbara Tiry b 1760 Germany and d. 1834. Now again I can't vouch for this info on the later generations but do fit for dates I think. Has been said they married in Weigumstadt, Aschaffenburg, Bayern Germany, both born there and parents born there. But if Johann Carl Boley was born in 1748 and came to PA in 1764 on the ship "Boston" he was only 16 so think he didn't marry in Germany but in PA few years after he located in PA, at least by 1776 if birth of first child is correcde an he was born in PA, later children PA or mostly VA. Located the manifest of the ship "Boston" that landed in PA from Rotterdam 10 Nov 1764 and Johann Carl Boley had taken the Oath of Allegiance after getting to US. If married about 1775 in PA he would have been about 27 if 1748 birth date is correct. Still have to question the birth and death date as if born 1748 and d. 1860 he would have been 112 years of age so pretty sure at least the death date might be off or birth date for that matter. Have a lot of info on the Metz family history but haven't located the info on Katherine as yet. According to son Nicholas Boley and his son Andrew stated that his grandparents were from Germany. Only thing I could find on the location of what they said where they came from was the southern part of Germany which is in Bavaria (which when I was in Germany with my husband in US Army we lived in that area for a year before he was sent to Viet Nam) But that was before I started doing genealogy. But we met a friend there tha worked with my husband and we have stayed in touch all this time and so I e-mailed him to ask if he knew where this area was and best he could say was Weingumstadt is a district of the town named Markt Grossosheim - county (asministrative of Aschaffenburg and Bayern is another name for Bavaria area of Germany. But at least know the place he was

Notes	WIFE - Katherine Metz (Continued) talking about. Info from Wikitree on Nicholas Boley 1786-1884 who ever did this research they have added his parents name, wives name and 2 children which I know is right so maybe the parents are right as well. Their son Adam and wife Mary had a sone Andrew and he said his grandparents were natives of Germany. I will use this info to work on this family some more and maybe be a hint for others to check out the info. If the mother is Katherine/Catherine Metz, just need to locate more info on her. All conjecture of the children, but believe John, Isaac, Nicholas are for sure brothers and maybe Adam and George and a dau Margaret, but Adam and George could be sons of John and Lydia Lawler Boley also. Just not sure. but don't think so. CHILD 1 - John Boley *Find A Grave internet site wasn't able to locate John and Lydia in IN. MARRIAGE: Listed in book Nelson Co. KY Marriage Records 1785-1832 . John was married to Lydia Lawler. Surety Henry Wiseheart and Wit: John and Henry Wiseheart 1 Sep 1801. As was Isaac and Nicholas, and believe they are brothers. Parents unknown to date. CHILD 2 - *Isaac Boley *Find A Grave internet site listed Isaac birth and death date as shown on pic of his grave marker Marriage to Mary Jimmison 19 Jun 1806 Lincoln Co. KY. 1787-1849 (namd also spelled Jemison?) Listed 9 of 12 children with dates. Burial Boley-Lahue Cem, Harrison Co. IN. (copy) Never come across this meaning of the name before: From Ancestry: Boley Family History: South German: Patronymic from a personal name derived from Pelagius (from Greek Pelagios, a derivative of pelagos " sea"; compare Spanish Pelayo). Saint Pelagius is the patron saint of Constance. English: variant of Bulley We know for a few generations they came from the Bavarian part of South Germany, which is close to the Austrain border and Info from several working on this line, also research I did at court houses, cemetery records, census records. BIRTH: Cemetery stone gives birth and death date. Census give approx. date. Not for sure where he was born, in PA or possibly VA. There were some Boley's in Washington, Fayette Co. PA and maybe he was from there? One source thought he was son of Anthony Boley of Allegany Co. PA. 1st mg could be mother of Margaret Wise (1799- aft 1850) Not located wifes name to date. 2nd MARRIAGE: Located his marriage record from a book at Ft Wayne, "Marriage Records for Nelson Co. KY 1785-1815" by Elizabeth Ellsberry and would be recorded at Bardstown, Nelson Co. KY. of which I need a copy. Name

CHILD 2 - *Isaac Boley (Continued)

spelled Isaac Boley and Mary Jimmison. Also a marriage for one Thomas Bowling to Eleanor Hutchins 3 Feb 1807, that maybe Bowley/Boley (a brother?)

CHILDREN: It has been stated Margaret Boley who md Jacob Wise was dau of Isaac Boley. This is the only Isaac Boley that we have located so then comes down to that Isaac was married first to someone before he married Mary Jemison in KY? No record of who. She was living with him in 1850 census as age 51 and Isaac was 67 (would have been 16 if father when she was born but if right age b. 1780 would have been 70 and then been 19 so would fit).

DEATH: Cemetery stone gives birth and death date. Have pictures of their stones in Boley-Lahue cemetery. Only record of his estate was located in Corydon, Harrison Co. IN in Box 109 dated Aug 1863. Which was final settlement of his estate filed by John Riley administrator. Original inventory filed 31 May 1860. Estate worth \$4341.47 minus vouchers totaling \$685.13 with final estate as \$3656.34. This was to be distributed among his heirs. He left 6 children living and the descendants of four children. Already given to 4 children.

CEMETERY: Boley Lahue cem located in the extreme southeastern corner of Jackson Twp, in the northwest quarter of Sec 10, twp 3 south, Range 4 west, approx. 1 1/2 miles south of Crandall.

1790 Isaac would be abt 10 yrs of age and prob. with parents if were located.

1800 Isaac would be abt 20 yrs of age and not know where he is. Need to check PA index again to see if can locate him. Maybe Washington, Fayette Co. PA. Maybe already in KY? There was only one John Boley in Nelson Co. KY and nothing that looks like Isaac, which the census was taken from the 1800 tax list.

1810 Also have not located Isaac and would be married and abt age 30 yrs. Prob. in KY as was married in Nelson Co. KY 1806.

1820 Washington Co. IN one Isaac Bowler?, which could be Isaac Boley as no other in Harrison Co. IN.: Isaac Bowler? males to 10=1 10/16=2 18/26=1 26/45=1 (Isaac would be 40 yrs of age). Females to 10=1 10/16=1 16/26=2 26/45=1 and 3 agriculture.

1830 Harrison Co. Harrison Twp. IN: Isaac Boley males to 5=1 10/15=1 15/20=2 20/30=2 40/50=1. Females to 5=1 5/10=1 10/15=2 15/20=2 40/50=1

1840 Harrison Co. IN: Isaac Bowley males 10/15=1 50/60=1 and females 10/15=1 15/20=1 50/60=1

1850 Harrison Co. IN pg 625 #422/422 23 Aug: Isaac Boley 67 PA (1783) farmer, Margaret Wise 51 VA (1799), Henry Wise 15 IN, Nicholas Boley 35 KY, Sarah 28 IN, Henry 11 IN, Martin 9 In, Adaline 7 In, Caroline 6 IN, Drathula 4 In, Melvina 4 IN, Mary E. 1. (if age right Isaac would been father to Margaret at age 16 so she could be his sister). Although no one has said Isaac had a sister, only brothers?

Some have said this Margaret Wise was daughter of Isaac Boley but if ages were right Isaac would have had her at age 16 But if she was born 1799 after he married the 1st time she was his dau. and he also had another daughter Margaret b. 1818 and died 1819 from 2nd mg The marriage licence of Margaret when she md Jacob Wise did state Margarets father was Isaac Boley. Could be possible that Isaac was married first to (?) and had Margaret and then married Mary Jemison.

Both had died by 1860 census.

Isaac bought a lot of land in Harrison Co. IN (haven't checked what he sold to date). Checked records and have abstracted just the particulars at this time.

"Portrait & Biographical Album of Lee Co. IA by Chapman Brothers, Chicago 1887" Pg 577--Has bio of John Boley, son of Isaac. Stating John native of Boyle Co. KY born 1807. Father of Pa parentage & birth and went to KY & mother of Scottish ancestry. James O. Boley had sent me some info on Tax records of KY on the Boleys. Only 1814 Isaac Boley listed with one male over 21 and one horse. There was a John Boley 1803 73 acres Dicks River, Lincoln Co. and 1804 John Boley 130 acres and Elijah Boley 100 acres, James Boley as well. 1809 John Boley 130 a. Dicks River, Lincoln Co. 1816 John Boley 86 acres. One John Boley died 1811 there with estate appraisal at Bardstown but nothing else, so not sure which John this is. Father to Isaac or brother? Appraisal 48 pounds, 9 shillings, o pence. No other settlement or guardianship of children located. Dicks Creek is along east side of Boyle county and flows into Kentucky River.

*Find A Grave listed birth year and place and death date and place. Listed birth as 1787 but on the stone it says d. 15 Jan 1884 at 99 years of age. burial in Central, Harrison Co. Spouse: Nancy Watson 1794-1865 (copy) A site on WikiTree listed Nicholas boley b abt 1786 d. 1884 and md Nancy Watson which is all correct. Listed son of Johann Carl Boley and Katherine (Metz) Boley. (which would sure be German. A Johann would be John. So far only place have found maybe their parents? Also said 18 degrees from Queen Elizabeth of England (way back if actually from Germany?) Nicholas was married in Nelson Co. KY as was John and Isaac. Believe they are brothers. Parents are unknown at this time. Nicholas and wife are buried at the Bethel cemetery in Harrison Co. IN. Nicholas was 99 years of age at time of death. Marriage recorded Nelson Co. KY and was preformed by Joseph Ferguson (pg 25 of indexed marriages in book form). Notes

HUSBAND - *Isaac Boley (Continued)

1st mg could be mother of Margaret Wise (1799- aft 1850) Not located wifes name to date.

2nd MARRIAGE: Located his marriage record from a book at Ft Wayne, "Marriage Records for Nelson Co. KY 1785-1815" by Elizabeth Ellsberry and would be recorded at Bardstown, Nelson Co. KY. of which I need a copy. Name spelled Isaac Bowley and Mary Jimmison. Also a marriage for one Thomas Bowling to Eleanor Hutchins 3 Feb 1807, that maybe Bowley/Boley (a brother?)

CHILDREN: It has been stated Margaret Boley who md Jacob Wise was dau of Isaac Boley. This is the only Isaac Boley that we have located so then comes down to that Isaac was married first to someone before he married Mary Jemison in KY? No record of who. She was living with him in 1850 census as age 51 and Isaac was 67 (would have been 16 if father when she was born but if right age b. 1780 would have been 70 and then been 19 so would fit).

DEATH: Cemetery stone gives birth and death date. Have pictures of their stones in Boley-Lahue cemetery. Only record of his estate was located in Corydon, Harrison Co. IN in Box 109 dated Aug 1863. Which was final settlement of his estate filed by John Riley administrator. Original inventory filed 31 May 1860. Estate worth \$4341.47 minus vouchers totaling \$685.13 with final estate as \$3656.34. This was to be distributed among his heirs. He left 6 children living and the descendants of four children. Already given to 4 children.

CEMETERY: Boley Lahue cem located in the extreme southeastern corner of Jackson Twp, in the northwest quarter of Sec 10, twp 3 south, Range 4 west, approx. 1 1/2 miles south of Crandall.

1790 Isaac would be abt 10 yrs of age and prob. with parents if were located.

1800 Isaac would be abt 20 yrs of age and not know where he is. Need to check PA index again to see if can locate him. Maybe Washington, Fayette Co. PA. Maybe already in KY? There was only one John Boley in Nelson Co. KY and nothing that looks like Isaac, which the census was taken from the 1800 tax list.

1810 Also have not located Isaac and would be married and abt age 30 yrs. Prob. in KY as was married in Nelson Co. KY 1806.

1820 Washington Co. IN one Isaac Bowler?, which could be Isaac Boley as no other in Harrison Co. IN.: Isaac Bowler? males to 10=1 10/16=2 18/26=1 26/45=1 (Isaac would be 40 yrs of age). Females to 10=1 10/16=1 16/26=2 26/45=1 and 3 agriculture.

1830 Harrison Co. Harrison Twp. IN: Isaac Boley males to 5=1 10/15=1 15/20=2 20/30=2 40/50=1. Females to 5=1 5/10=1 10/15=2 15/20=2 40/50=1

1840 Harrison Co. IN: Isaac Bowley males 10/15=1 50/60=1 and females 10/15=1 15/20=1 50/60=1

1850 Harrison Co. IN pg 625 #422/422 23 Aug: Isaac Boley 67 PA (1783) farmer, Margaret Wise 51 VA (1799), Henry Wise 15 IN, Nicholas Boley 35 KY, Sarah 28 IN, Henry 11 IN, Martin 9 IN, Adaline 7 IN, Caroline 6 IN, Drathula 4 IN, Melvina 4 IN, Mary E. 1. (if age right Isaac would been father to Margaret at age 16 so she could be his sister). Although no one has said Isaac had a sister, only brothers?

Some have said this Margaret Wise was daughter of Isaac Boley but if ages were right Isaac would have had her at age 16 But if she was born 1799 after he married the 1st time she was his dau.

and he also had another daughter Margaret b. 1818 and died 1819 from 2nd mg The marriage licence of Margaret when she md Jacob Wise did state Margarets father was Isaac Boley. Could be possible that Isaac was married first to (?) and had Margaret and then married Mary Jemison.

Both had died by 1860 census.

Isaac bought a lot of land in Harrison Co. IN (haven't checked what he sold to date). Checked records and have abstracted just the particulars at this time.

25 May 1822 Bk D pg 14 Warr. \$8.00 2 acres from Farmer Manning.

HUSBAND		Wife	Married
HUSBAND - Isaac Boley (Continued)		Mary Jemison-Jimison	1825
I am not sure of mother of Margaret Wiles (1794- aft 1850) but located wife name to date.			
The MARRIAGE located in marriage record from a book at Ft Wayne, "Marriage Records for Nelson Co. KY 1785-1815" by Elizabeth Glendon and would be recorded at Henderson, Nelson Co. KY. of which I need a copy. Name spelled Isaac Boley and Mary Jemison. Also a marriage for one Thomas Bowling to Eleanor Hudkins 3 Feb 1807. That maybe Boley-Bowley (a brother)			
CHILDREN: It has been stated Margaret Boley who mrd Jacob Wiles was dau of Isaac Boley. This is the only Isaac Boley that we have located so their coming down to that Isaac was married first to someone before he married Mary Jemison in KY. No record of who. She was living with him in 1820 census as age 21 and Isaac was 47 (would have been 12 if father when she was born but if right age is 1780 would have been 70 and then born 18 to would be).			
DEATH: Cemetery stone gives birth and death date. Have pictures of their stones in Boley-James cemetery. Only record of his estate was located in Concord, Harrison Co. IN in Box 109 dated Aug 1823. Which was final settlement of his estate filed by John Riley administrator. Original inventory filed 31 May 1820. Estate worth \$241.47 minus vouchers totaling \$682.13 with final estate as \$4386.34. This was to be distributed among his heirs. He left 6 children living and the descendants of four children. Already given to 4 children.			
CENSUS: Boley-James men located in the extreme southeastern corner of Jackson Twp. in the northwest quarter of Sec 10, Twp 3 south, Range 4 west, approx 1 1/2 miles south of Concord.			
1790 Isaac would be age 10 yrs of age and prob. with parents if were located.			
1800 Isaac would be age 20 yrs of age and not know where he is. Need to check PA index again to see if can locate him. Maybe Washington, Reynolds Co. PA. Maybe already in KY. There was only one John Boley in Nelson Co. KY and nothing that looks like Isaac, which the census was taken from the 1800 tax list.			
1810 Also have not located Isaac and would be married and age 30 yrs. Prob. in KY as was married in Nelson Co. KY 1806.			
1820 Washington Co. IN one Isaac Boley, which could be Isaac Boley as no other in Harrison Co. IN. Isaac Boley, males to 10-1 10/10-2 18/10-4 28/40-1 (Isaac would be 40 yrs of age). Females to 10-1 10/10-1 18/20-2 28/40-1 and 3 singletons.			
1830 Harrison Co. IN. Isaac Boley, males to 5-1 10/15-1 12/20-2 20/30-2 40/50-1. Females to 5-1 20/30-1 10/15-1 12/20-2 40/50-1			
1840 Harrison Co. IN. Isaac Boley, males 10/15-1 20/30-1 and females 10/15-1 12/20-1 20/30-1			
1850 Harrison Co. IN pg 825 #42423-23 Aug. Isaac Boley 27 PA (1787) farmer Margaret Wiles 21 VA (1799) Henry Wiles 15 (H) Nicholas Boley 32 KY, 20/30-1 28/40-1 Henry 11 (H) Martin 9 (H) Andrew 7 (H) Caroline 5 (H) Caroline 4 (H) Melvin 4 (H) Mary 3 (H) If age right Isaac would have been father to Margaret at age 18 so she could be his sister. Although no one has said Isaac had a sister, only brothers?			
Some have said this Margaret Wiles was daughter of Isaac Boley but if ages were right Isaac would have had her 25 yrs. But if she was born 1799 then he married the 1st time she was his dau.			
He also had another daughter Margaret b. 1815 and died 1879 from 2nd mrd. The marriage record of Margaret when she mrd Jacob Wiles states Margaret's father was Isaac Boley. Could be possible that Isaac was married first to (7) and had Margaret and then married Mary Jemison.			
Both men died by 1860 census.			
Isaac, bought a lot of land in Harrison Co. IN (now not checked what he sold to date). Checked records and have attached just the purchase at the time.

Info from Mrs Dunlap St Louis 1973, James O. Boley 1976, The Lahue book and much research I have done from court house records, census records and cemetery records.

BIRTH: Cemetery records and stone say d. 17 Jul 1856 at age 40 yrs 2 mo 22 days which calculates to birth date of 25 Apr 1816. Census records in 1850 list him as age 35 and that would show ca 1815. Correspondence with others have given the 15 May 1815 date as his birth. I am going to use the cemetery date for now.

MARRIAGE: Marriage was recorded at Corydon, Harrison Co. IN, book and pg not copied. Have copy of their licence. They were married by Henry Bonebrake. Notation in the mg affidavit: Sarah conceit by father, Spencer Lahue and Nicholas age proven by Isaac Hendricks. Nicholas would have been 23 and Sarah 17 when married. If birth date of 1816 is correct Nicholas would have been not quite 22 yrs of age, which maybe is why he had his age proven. No age appeared on the licence.

DEATH: Nicholas died 4 months before Sarah and his probate record is recorded at Harrison Co. IN. Have a copy but don't remember where it is filed. His age at the time of death on grave stone was 40 yrs 2 mo 22 days. Sarah died at age 34. William Blankenbaker was appointed as guardian of the younger children, Henry, Martin, Adaline, Caroline, Melvina, Darthula, Mary E. and Isaac G. Also have a copy of sale bill and personal property sale bill. Recorded Bk C pg 7. Harrison Co. IN. Thomas C. Slaughter adm. of will. There were several items on the sale list. Have been to the cemetery and have pictures of stones of Nicholas, Sarah and the children that are buried at the Boley-Lahue cemetery. The death date on his stone says 17 Jul 1856 age 40 yrs 2 mo 22 days.

CEMETERY: Boley Lahue cemetery located in the extreme southeastern corner of Jackson Twp in the northwest quarter of Sec 10, twp 3 south, Range 4 east, approx 1 1/2 miles south of Crandall.

1830 Harrison Co. IN: Nicholas would be ca age 15 and prob. with parents.

1840 Harrison Co. IN: Nicholas Boley listed with males to 5=1 20/30=1 and females 20/30=1.

1850 Harrison Co. IN pg 625 #422/423 23 Aug: Isaac Boley 67 PA farmer, Margaret Wise 51 VA, Henry Wise 15 IN, NICHOLAS BOLEY 35 KY, Sarah 28 IN, Henry 11 IN, Martin 9 IN, Adaline 7 IN, Caroline 6 IN, Darthula 4 IN, Melvina 4 IN, Mary E. IN.

CHILD 8	- Elizabeth Boley
Info from Mrs Dunlap, St Louis 1973 and James O. Boley 1979 and the Lahue book. Info on the children's birth dates were listed in Elizabeth's pension application. Maybe Jackson died in Crawford Co. IN? Elizabeth and their minor children resided in Crawford Co. IN in 1860 when the Harrison Co. Court appointed John Riley as guardian of the minor children. Elizabeth applied for a dependent mothers pension in 1883, based on her son Isaac's service in the Union Army (Isaac died 1868 of disease contracted in or caused by hardships of army service). On her application, Elizabeth stated that her husband had left her and the children a farm of 117 1/2 acres of badly worn and poor land. She and the children had remained on the land, working it the best they could and in winter she had "spun yarn", quilted and sewed, etc., barely managing to get along, especially while three of her four sons were in the army. After the war, she had sold her interest in the farm and in 1877 had moved from Leavenworth in Crawford Co., to Parke Co. IN (P.O. Leatherwood), where in 1883 she owned a little over two acres.

Genealogy Research

[Ancestor List for Johann Boley](#)

The ancestor list uses the "ahnen" numbering system and presents seven generations in plain text. There are no images or colors. This makes it well-suited for printing when you're doing offline research.

[Compact Family Tree](#)

This alternative tree view is packed with eight generations — up to 254 ancestors — along with birth and death dates and locations. The downside is that it's not a conventional tree format; it may take a couple minutes to orient yourself.

[Descendant List](#)

This shows up to five generations of children and grandchildren of Johann along with their spouses.

[DNA Ancestors](#) and [DNA Descendants](#)

Genetic genealogy is the new frontier. Our two DNA views are designed to help you use genetic testing to confirm and expand Johann's genealogy. The DNA Ancestors page shows the specific ancestors from whom Johann gets his Y chromosome and mitochondrial DNA. Especially helpful for some serious genetic genealogists is the inheritance pattern for Johann's X chromosome, also shown here. The DNA Descendants page shows exactly who has inherited Johann's testable DNA.

[DNA Ancestor Confirmation Aid](#)

This tool helps you take things a step beyond the DNA Ancestors and DNA Descendants views. The ambitious goal: scientific confirmation of each parent-child relationship in Johann's tree. This is still fairly complex but it's getting simpler every day.

[Dynamic Tree](#)

The dynamic tree expands to include an unlimited number of generations of parents and children. You can zoom in or out and pan around for the perfect view as you browse.

[Family Group Sheet](#)

This simple page illustrates nuclear families based on marriages. It's handy when someone had children from more than one marriage.

[Family List](#)

This flexible tool enables you to see more ancestors and/or descendants on one page than anywhere else on WikiTree.

[Global Family Tree Connection](#)

How many degrees of separation are between Johann and Kevin Bacon? This Connection Finder includes relationships through marriage, so it is not a genealogical cousin calculator like our [Relationship Finder](#), but it's a fun way to illustrate how closely we're all connected.

NAME:

Dear Gladys,

In the latest Southern Indiana Genealogical Society quarterly I found your query regarding the Boley family in Harrison Co., In. I'm sorry that I can't add much information to your research but thought I would write an inquiry of my own. You see, I am searching for information about the family of my g-g-g-grandmother, Mary Ann (Anna) Boley, wife of Thompson (Thomas?) Tindall. As you can see from my chart I have very little information about the Boley family so anything you might be able to tell me will be greatly appreciated. I know that my family has been in Harrison Co. for many years, the same surnames appear quite frequently. The name Boley also appears in my Faith line - Marian Elizabeth Boley m. John Faith, and Barbara Ann Boley m Harrison Faith, both sons of Henry and Elizabeth "Betsy" (Pike) Faith. Could this be part of your family? Could Marian and Barbara be sisters?

As I said earlier, I would be most grateful for any information you might be able to give me. I will be glad to pay the cost of copying any information as well as the postage. Thank you so much for your help; I will look forward to hearing from you.

Sincerely,

Marilyn L. Pershing

His son Andrew J. Boley listed in his Find A Grave site that his grandparents were natives of Germany. (only place have heard that-GLT)

Info from cemetery records of Union Chapel cem in Harrison Co. IN., where both he and his wife are buried. Not sure if he is brother to John, Isaac and Nicholas or a son of John? But John wasn't md until 1802 so this makes me think Adam is a brother to John and not a son.

Mrs Dunlap of St Louis thinks he maybe a brother to Isaac Boley.

Adam Boley's will probated in Harrison Co. IN 20 Aug 1884 in Will book D pg 362 Written 8 Dec 1883 list 5 grandchildren: Charles E. Ludlow, Henry M. Ludlow, William H. Ludlow, Pervia A. Anthony BOLEY born about 1738 in Germany & 25 Nov 1820, buried Bethany Cemetery in Bridgeville. He married a Barber (from a deed to purchase land in Fayette Twp, Allegheny County PA in 1808. Their children are:

- * 2. Mary BOLEY, b. 1776-6 + Jacob BRICH
- * 2. John BOLEY, b. 1777 + Mary DOWNARD
- * 3. Margaret A. BOLEY (no date) + _____ SLEY

This information was given to me by Wendell H BOLEY of Las Vegas, NV, who is a direct descendant of Anthony BOLEY. He gave me a copy of Anthony's will, a list of deeds for John and Anthony BOLEY, and copies of his family group sheets that show Wendell's line back to Anthony. These sheets show this family and lived in Washington and Allegheny Counties PA until about the 1850's when they moved into WV (mainly St. Mary's - Pleasantts area) and no descendant of Anthony's named Benjamin. It appears that the John and Benjamin BOLEY of Jefferson and Berkeley Counties are not of Anthony's line.

This information was given to me by Wendell H BOLEY of Las Vegas, NV. who is a direct descendent of Anthony BOLEY. He gave me a copy of Anthony's will, a list of deeds for John and Anthony BOLEY, and copies of his family group sheets that show Wendell's line back to Anthony. These sheets show this family line lived in Washington and Allegheny Counties PA. until about the 1850's when they moved into WVA (mainly St. Marys - Pleasants area) and no descendent of Anthony's is named Benjamin. It appears that the John and Benjamin BOLEY of Jefferson and Berkley Counties are not of Anthony's line.

CHILD 6	- David Downard Boley (Continued) Info from Wendell H. Boley, Las Vegas, NV Mar 1985. Middle name also spelled Downer so not for sure which. Complete birth date, mg info. Internet info from Frank Bouley who received it from others, stated David born 1814 and d. 1884 St Marys, WV. Md Elizabeth Meanor 1834.
CHILD 7	- Errick (Arick) Boley Internet info from Frank Bouley who received it from others, stated Errick (Arick) born 1816/17 and md Martha (?).
CHILD 8	- Sarah A. Boley Sharon Community Presbyterian Cemetery listed Sarah A. Lashell, wife of Jacob Lashell 1823-1910. Info from Wendell H. Boley, Las Vegas, NV Mar 1985. Lashells Ferry in Moon Twp. Allegheny Co. PA. Internet info from Frank Bouley who received it from others, stated Sarah born 1823 Moon Twp, d. 1910 and md Jacob Lashell 1839. This history listed Sarah and her parents. "History of Allegheny Co. PA" pub 1889-reprint 1977 pg 467: (Although name listed as Capt Jacob, this article referred to this Capt John Lashell). Capt. Jacob Lashell, (deceased), steam boat owner, captain, boat builder, lumber manufacturer and farmer, was born in Adams County, PA, July 13, 1812, a son of Jacob and Mary E. (Clark) Lashell, natives of Adams county. The grandfather of the subject of this sketch was George Lashell, of Adams county, who had a stage-line and a hotel. Capt. Lashell came to Allegheny county in 1836 with Robert cochran, and located at what is now Lashell's Ferry. They cut wood for steamboats the first winter and Lashell went on the river. He soon became captain, then owner of the Caroline, Beulah and Market Boy and was part owner of the Melnotte. He made seventy trips to New Orleans and was an able and intelligent man. He was united in marriage Jan. 9, 1839 with Sarah A. Boley, who was born on her fathers homestead, near Lashell's Ferry, Moon township, Allegheny county, PA., Dec 27, 1823, a daughter of John and Mary (Downard) Boley, natives of Washington county, Pa. Mr Boley served in the war of 1812. To Capt. and Mrs Lashell were born four hildren: Mary, drowned at the age of ten years; George A. married to Margaret McElherren, and residing in Allegheny, PA; John R., married to Elizabeth Onstott, and residing near Sharon, Moon township and Leanora L., wife of William McKown, in robinson township. Capt. Lashell was county commissioner one term; was a delegate to the democratic convention and was county supervisor many years. He was also justice of the peace for fifteen years. He died april 11, 1886. Mrs Lashell and family are members of the Presbyterian Church. She still owns the old place and ferry."
CHILD 9	- Jemima (Jane) Boley Info from Wendell H. Boley, Las Vegas, NV Mar 1985. Listed name as Jemima, md Jeremiah Meek. She was listed as getting \$20 less then other children in fathers will written 27 May 1858 and prob. 22 Sep 1860 Allegheny Co. PA. Internet info from Frank Bouley who received it from others, stated Jane (Jemima) born 1808 and md Jeremiah Meek. Died 1873 PA. *Find A Grave for Jemima Boley Meanor was listed as dau of John Boley an Mary Downer, md to George W. Meanor 1818-1904 and her birth was listed as 1825 and death as 23 Mar 1873. Yet she was listed Jemima (Jane) boley b 8 May 1808 and d. 26 Sep 1873 and had been believed to have married Jeremiah Meek 1804-1889. However his wife was listed as Jane Gray Meek 1808-1873. So the question is was Jane Gray Jemima (Jane) Boley and md 1st a Gray and then Meanor and not a Meek. Jeremiah Meek was listed as exeutor of Jemima Boley and maybe assuming he was son in law. Jeremiah Meek was also buried at Sharon Presbyterian church cem. . George Washington. Meanor was buried at Coraopolis, Allegheny Co. PA at Coraopolis Cem. 1818-1904. One of Jemima's brothers married an Elizabeth Meanor.

I believe this to be the grave marker for Mary Boley Erick, daughter of Anthony Boley #51321292 and wife of Jacob Erick #19637817. According to the Pennsylvania death record, Mary was born in 1783 and died August 28, 1853, making her 70 years old (also in the record). It is noted that Mary was buried in Bethel church cemetery. Her stone is identical to Jacob's stone, and may even be close to his. It looks like the carver started her last name as Ear(ick) which is yet another variation of Arick, Jacob's father's name. You will also note Mary's bio on her father's page. From #47829092 *not right*

Hi guys—A while back I wrote a story which was published in "Missing Links" and resulted in veritable flood of new information and previously unknown relatives. Using some of the new-found information I have updated the original story and will try to get it published on ANCESTRY. However I thought you all might like to read it. Please let me know what you think.

REGARDING BRICK WALLS

or

THE SEARCH FOR GRANDPA

by

FRANK WILLIAM BOULEY III

I have been working on my family history for over thirty years and have had great success in carrying my line back to the Mayflower and a few hundred years beyond. I have sources and histories for each generation but all of it has been on my maternal side. My paternal side has always ended in a brick wall.

My paternal grandfather was Frank William Bouley Sr. He was a dancing master in Spokane, Wash. for 40 years. I grew up listening to stories of his father Samuel who had been born in Kentucky, fought in the Civil War as a dispatch rider for General Grant, and finally had settled in Missouri.

Samuel had been married twice and gramps was the third child of the first marriage (he had an older sister and brother, Elizabeth and Samuel).

Grandpa never mentioned the name of his mother or stepmother but did say that he had been born in Wheeling, WVA and raised in Missouri and that his mother had died shortly after his birth. He had been raised by his step mother but did not get along with her very well. He said that his father had been in a mine accident and had died in his arms. Grandpa said he was about 20 at that time and after his father's death he had asked his stepmother for his father's cavalry sword which had been promised him and which hung over the mantle piece. This infuriated him and he took off for parts unknown never to return.. He said his grandmother, whom he loved very much had packed a trunk for him. My father Frank Bouley Jr had told me that Grandpa had related to him, My father Frank Bouley Jr had told me that Grandpa had related to

him, My father Frank Bouley Jr had told me that Grandpa had related to

him, My father Frank Bouley Jr had told me that Grandpa had related to

him that his Grandmother was a Bowen of Kentucky.

I have always assumed that when he left home he may have hooked up with a traveling minstrel company because as I was growing up he would regale me with stories of his minstrel days where he learned the profession of dancing. He ended up in Los Angeles and later moved North to Tacoma, Wash. and then to Seattle and finally to Spokane where he founded a dancing school and remained for the next forty years. He never went back to Missouri and never told me the names of his home town or his mothers name.

When I became interested in genealogy I tried to trace him. I checked all of the census files from 1840 to 1900 in Mo, WVa., and Ky. and came up blank. My eyes were mighty sore from reading all of that microfilm. I also checked the IGI of the Mormon Church--Nothing! I tried to find military records for Samuel Bouley/Boulet--again I drew a blank. Grandpa had often mentioned that he had made a minor change in the spelling of his name because, he said, it sounded more professional for a dancing master if he sounded "French".

I went to the 1910 Census for Spokane and had no trouble finding him. He listed his father as being born in Ky. and gave his own birth place as Wheeling, WVa. I again wrote to Wheeling for a birth certificate but again came up empty. I gave up on the whole thing and spent my energies on my mothers line at which I was having so much success.

Years went by and one day I decided to take another look at the 1850 census for Mo. As before, I found no Bouley/Boulet but I did find this listing:

SAMUEL BOLEY 16 YRS. OLD-- FARMER-- BORN IN KENTUCKY
(That would make his birth date in Kentucky as 1834) working for and staying with Logan H. Ballow age 33 and wife Ann, 29)

If this Samuel was my grandfathers father, he would have been 33 when he had Frank, which is reasonable since Frank was youngest of three. It also means he would have been in his late 20's for the Civil war.

Could it be possible that this Samuel was the Great grandfather I had been looking for? Boley was not much different than Bouley, just remove the "U".

Back to the Census and IGI lists.

Suddenly I started clicking. I found:

him that his Grandmother was a Bowser of Kentucky.
I have always assumed that when he left home he may have hooked up with
a traveling minstrel company because as I was growing up he would regale
me with stories of his minstrel days where he learned the profession of
dancing. He ended up in Los Angeles and later moved North to Tacoma,
Wash., and then to Seattle and finally to Spokane where he founded a
dancing school and remained for the next forty years. His never went
back to Missoula and never told me the names of his home town or his
mother's name.

When I became interested in genealogy I tried to trace him. I checked
all of the census files from 1840 to 1900 in Mo., W.Va., and Ky. and came
up blank. My eyes were nearly sore from reading all of that microfilm. I
also checked the IGI of the Mormon Church--(nothing) I tried to find
military records for Samuel Bowser--again I drew a blank. Grandpa
had often mentioned that he had made a minor change in the spelling of
his name because, he said, it sounded more professional for a dancing
master. It sounded "French".

I went to the 1910 Census for Spokane and had no trouble finding him. He
listed his father as being born in Ky. and gave his own birth place as
Wheeling, W.Va. I again wrote to Wheeling for a birth certificate but
again came up empty. I gave up on the whole thing and spent my energies
on my mother line at which I was having so much success.
Years went by and one day I decided to take another look at the 1900
census for Mo. As before, I found no Bowser/Coulter but did find this
entry:

SAMUEL BOLEY 15 YRS. OLD--FARMER--BORN IN KENTUCKY

(This would make his birth date in Kentucky as 1884) working for and
living with Logan H. Bellow age 33 and wife Ann, 29.

If this Samuel was my grandfather's father, he would have been 33
when he had Frank, which is reasonable since Frank was youngest of
three. It also means he would have been in his late 20's for the Civil
War.

Could it be possible that this Samuel was the Great grandfather I had
been looking for? Boley was not much different than Boley, just remove
the "U".

Back to the Census and IGI info.

Suddenly I started clicking. I found:

Samuel Franklin Boley b. 1789/1834 Kentucky

d. 1804/1888 Bedford, Livingston Co., Mo. (age 84) (Miss accident?)

(no mention of such)

Married: Mary E. Boley on 14 Oct 1852

children: Elizabeth born: c. 1858 Livingston Co. Mo.

Samuel F. born: c. 1862 Livingston Co. Mo.

Fielding born: 1867 Wheeling, Mo.

(This Fielding was born the same year as Grandpa and his older sister
and brother matched what Grandpa had told me of his side.)

Married: Charlotte Maria Langley (or Clark) 24 Apr 1871 in Linn

Clinton, Co. Mo.

One was born 12 Mar 1842 in Marion, Co. and died 2 Jan 1927 in Marion, Wa.

children: William b. 1804/1877 d. 1877

Rhoda Jane b. 18 Mar 1873 Hays City, Mo.

d. 10 Sep 1880 Evanston, Ill.

James W. b. 4 Jul 1874 d. 1883

Virginia B. b. 20 Oct 1878 Livingston Co. Mo.

Susan Callie b. 18 Apr 1879 *

Source: 1870-1880 Census

Notes: 1. b. 1874-1875

d.29Dec1939

George W. b.6Jan1886 "

d.May1964

Further search turned up the information that Samuels father was Fielding Boley of Kentucky.

1. Fielding BOLEY 1811 (Ky?) + Elizabeth McDOWELL b.1817 Married 07 Dec 1830 Adair Co, KY
 - o 2. Samuel BOLEY 1834
 - o 2. William BOLEY 1839
 - o 2. James V BOLEY 1837

It wasn't perfect but there were so many matches. Samuels 3rd son Fielding was born in 1867 in Wheeling, Mo. Same year as grandpa, but Wheeling, Mo.? I went to the atlas and sure enough found a Wheeling, Mo. only a few miles from where the Boley family lived. Everything seemed to fit. Samuels death date of 1888 would have occurred when Fielding was 21. Same age as grandpa. Could Grandpa have changed his first name as well? Why not? Fielding Bouley is not as good as Frank William Bouley for a dancing master. Also Fieldings fathers middle name was Franklin and his Uncles name was William.

With this new theory I wrote for the National Archives to see if any pension award had been granted to Charlotte, Samuels second wife and lo and behold received many pages of report.

To To sum up, it said:

Samuel enlisted at or near St. Louis Oct 2 1862 as:

Private in Co. G. 10th Reg.—then transferred

A. Merrill's Horse Mo. Cav.

Co. A 2nd. Mo. Cav.

Discharged 15 Oct 1865

In any case Charlotte got her pension.

Granted, I had not proved beyond a doubt that Samuel Boley was my Great grandfather but the coincidence of so many "fits" would lead me to believe so. I still needed a death notice for Samuel, a birth certificate for Fielding and I needed to learn what happened to Fielding. Did he remain in Mo. and have a family or did he leave never to be heard from again, in which case he would most probably be my grandfather.

I wrote this story and placed it on many web genealogical sites. It was also published in the free genealogy e-zine MISSING LINKS, edited and published by Julia M. Case and Myra Vanderpool Gormley, CG. These wonderful ladies each wrote attachments to the story filled with suggestions of ways to improve my search.

The response was almost staggering. Boley searchers started pouring out of the woodwork. I was getting several responses every day.

Since then I have found that Samuels father Fielding had run off to the gold fields of Colorado and was never heard of again and his mother, Elizabeth McDowell, had remarried to a Bowen from Kentucky. Another fit since grandfather had been only about three years old when his mother died and his father, Samuel had remarried Charlotte the following year. Grandfather would have grown up thinking of his grandmother as a Bowen. Another good "fit" occurred when a Boley researcher in Mo. told me that Samuel Boley had been killed on 15 Oct. 1888 in Bedford, Mo. in a mine accident.

With all of this information I was able to continue the backward push and found that Samuels father Fielding was the son of a Vincent Boley of Kentucky and his mother Elizabeth McDowell was the daughter of a John McDowell and a Rhoda Franklin.

McDowell and a Rhoda Franklin

John McDowell, a lawyer, had been born abt.1768 and had moved to Adair County KY about 1816. On May 3, 1821 he was appointed Attorney to handle any land in KY left by Edward Franklin father of wife Phoebe. Their children were Matthew, Agnes, John, George, the Elizabeth (born abt 1809 who Married December 7, 1830 Fielding Boley son of Vincent Boley), and son Samuel.

I also learned that John McDowell was a son of Ephraim McDowell (B. abt 1740) and Elizabeth Burns. Ephraim served during the Revolution as a private in Capt. Jacob TenEyck's company, 1st Batt. and was the son of the emigrant ancestor Ephraim McDowell who came from Connor Ireland to Bedminster NJ 1688-1762. My wife and I drove to Bedminster and found his grave.

The Internet responses from Boley and McDowell family members not only in Mo. and Ky but from all over the map have been overwhelming. and continue to pour in, along with charts, and a great deal of source material.

All those years bouncing my head against a brick wall because I hadn't learned how to look. Granted, there are some weak links. I need solid proof of Samuels death in a mine cave in and of Fieldings birth in Wheeling, Livingston co., Mo. I need to prove that Fielding Boley and Frank Bouley are one and the same. However I have found so many coincidences and pieces of the puzzle that fit perfectly that, at least in my own mind, there can be very little, if any, doubt.

Hi gang—Over the past couple of weeks I have received a large amount of BOLEY material and thought I had better squirt it out before really unweildy. Please forgive if you receive back some that you sent or if you have seen this before. There are a lot of Boley researchers and I find the "package deal" mworks the best.

Please let me know if you have anything to add.

There is so much that I will send it in two sections.

Yes I have Vincent Boley with the Son Fielding William Boley married to Elizabeth McDowell d/o John McDowell married Dec. 7, 1830 in Aldair city, Ky.

You know I'm sure that James V. Boley b. 1837, Ky married Elizabeth Francis Robertson b. 1843, Ky married June 6, 1860, Caroll Co. Mo. Had son James William Boley b. 11/23/1873 Texas County, Mo. married to Rebecca Brown b. 9/19/1880 in Iowa. They were married before 1899.

Yes, I am working on who Vincent's father was.

I also have a James R. Boley married to a Jemima Genty d/o Robert and Julia

Simpson who married in 1828 in Adair County, Ky. I have some of the

names of children and the Vincent name carries on and they moved to
names of children and the Vincent name carries on and they moved to

Carrol county, MO. so I think they are related to Vincent as well just haven't placed them yet. There children were

Vincent R. 1831
Llewella W. 1833
Robert W. 1834
Ephraim 1837
James R. 1840
Fielding W. (may be William)
George W. 1845
Elizabeth A.
Margaret J.

I will keep you up to date on this line as I find out more. Or if you find out anything let me know and I can fill you in more. I have several lines of Boley men of age to be Vincent's father. But have not found a place for him yet. Let me know what you think I have a little more on the Genty family genealogy not much a generation or or 2 more if you are interested.

We don't know much about our Boleys. Hiram Carl (1824, AL) married Elindis/Elinder Jane Wilson in 1848 probably in Marengo Co, AL. They had four children:
Mary b 1848
James W. b 1850
Sarah Margaret b 28 Sep 1852 (my ggrandmother)
Francis A. b 1855
Elindis/Elinder Jane died between 1855-1858. Hiram Carl married Catherine H. "Kitty" Hartsfield in 1858 and they had at least one daughter, Harriet b 1859.

By 1883, the three oldest siblings had arrived in Texas as Sarah Margaret married Thomas Francis Marion Payne there and took over the raising of his ten orphan children as well as their soon to arrive seven.

I was told that Hiram Carl's parents were George Lewis Boley (24 Oct 1792, SC-10 Apr 1845, AL) and Winnie Robertson who married 7 Aug 1816.

I found in World Family Tree the following children for George Lewis and Winnie:

John Edward b 22 Oct 1818
James Robertson b 22 Sep 1821
Hiram Carl b 1824-25
Sarah Berline b 19 Apr 1830
Martha A. b 1831

Louise C. b. 8 Mar 1832

Eliza Jane b c 1836

Susan b c 1839

Does anyone on the list recognize Hiram Carl or George Lewis? I would like to find the parents of George Lewis. Also, what countries of origin are most of you finding for the Boleys?

This is my first attempt to use this address. My name, address,

(1803/4 -1888) and Elizabeth Duncan of Wilson and Cannon Co. Ga.

(1803/4 -1888) and Elizabeth Duncan of Wilson and Cannon Co. Ga.

Pleasant M. Boley married Gabrilla Crank May 12, 1834 in Bedford Co. Va.
>She was a daughter of William Crank. This family appears in the 1840
census
of Bedford Co. [100001-10001] and in the 1850 Bedford Co. census as
follows:

Pleasant Boley	45	Va.
Gabrella	36	"
James O.	14	"
Sally A.	11	"
Elvira B.	7	"
Mary J.	2	"

Pleasant Boley died in 1870 or 1871. A Bedford Co. deed dated December
19, 1891 names his wife, Gabriella E. Boley, and heirs James O. Boley,
Sallie A. Boley, John D. Tanner and Elvira Booker Tanner, and Mary J.
Boley. John D. Tanner married Booker E. Boley January 12, 1868 in
Bedford

Who was Pleasant Boley and who was his father? Was he a son of Pressley
Boley [ca.1760-1838] and Nancy [Ward] Cayce?

Miscellaneous Notes

Information supplied by De Revill

Early in my research, I came across a John Presley BOLEY (born July 1, 1804, in VA, died May 19, 1888) on the Mormon Church database. This record shows his wife as Elizabeth

Seale born Oct 18, 1822 and only one child a Mary Elizabeth (born in Wilson County TN) who married a Samoel Richard SIMS. However, the birth, death, and marriage dates are so erroneous between the child and mother (the mother born in 1822, died in 1889 and the child is born in 1893, died in 1912, married in 1882) that I disregarded the information. You can't even be sure of Elizabeth's last name is SEALE or was the person submitting the information trying to

Seal

this
family in the
church.

This looks to much a like in some ways to not be the same problem in lines.

It
looks like over the years at the Mormon church someone wrote the family down
wrong. I thought you might want to look at this and compare your info with
this.
I know at the Mormon Church records who ever put in my family got alot
wrong. So

I thought I'd bring it up.

This is my first attempt to use this address. My name, address,
telephone
no. is shown below. My wife is a great granddaughter of Pressley Boley
[1803/4-1888] and Elizabeth Duncan of Wilson and Cannon Co. Tn.

Pleasant M. Boley married Gabrilla Crank May 12, 1834 in Bedford Co. Va.

She was a daughter of William Crank. This family appears in the 1840
census
of Bedford Co. [100001-10001] and in the 1850 Bedford Co. census as
follows:

Pleasant Boley	45	Va.
Gabrella	36	"
James O.	14	"
Sally A.	11	"
Elvira B.	7	"
Mary J.	2	"

Pleasant Boley died in 1870 or 1871. A Bedford Co. deed dated December
19, 1891 names his wife, Gabriella E. Boley, and heirs James O. Boley,
Sallie A. Boley, John D. Tanner and Elvira Booker Tanner, and Mary J.
Boley. John D. Tanner married Booker E. Boley January 12, 1868 in
Bedford
Co.

Who was Pleasant Boley and who was his father? Was he a son of Pressley
Boley [ca.1760-1838] and Nancy [Ward] Cayce?

Miscellaneous Notes

Information supplied by De Revill

Early in my research, I came across a John Presley BOLEY (born July 1,
1804,
in
VA, died May
19, 1888) on the Mormon Church database. This record shows his wife as
Elizabeth

Seale born Oct
18, 1822 and only one child a Mary Elizabeth (born in Wilson County TN)
who
married a Samoele
Richard SIMS. However, the birth, death, and marriage dates are so
erroneous
between the child
and mother (the mother born in 1822, died in 1889 and the child is born

in
1893, died in 1912,
married in 1882) that I disregarded the information. You can't even be
sure
of
Elizabeth's last
name is SEALE or was the person submitting the information trying to
SEAL
this
family in the
church.

This looks to much a like in some ways to not be the same problem in
lines.
It
looks like over the years at the Mormon church someone wrote the family
down
wrong. I thought you might want to look at this and compare your info
with
this.
I know at the Mormon Church records who ever put in my family got alot
wrong. So

I thought I'd bring it up.

Hi gang--- Forgive me if you have received this before. I thought I sent it out a couple of weeks ago but my mail server has been acting up and I just found it sitting in one of my unused folders. If you did receive it just chuck this copy.

Over the past couple of weeks I have received a large amount of BOLEY material and thought I had better squirt it out before really unweildy. Please forgive if you receive back some that you sent or if you have seen this before. There are a lot of Boley researchers and I find the "package deal" mworks the best. Please let me know if you have anything to add.

There is so much that I will send it in two sections.

Yes, I am working on who Vincent's father was.

I also have a James R. Boley married to a Jemima Genty d/o Robert and Julia

Simpson who married in 1828 in Adair County, Ky. I have some of the names of children and the Vincent name carries on and they moved to Carrol county, MO. so I think they are related to Vincent as well just haven't placed them yet. There children were

Robert W. 1834

Ephraim 1837

James R. 1840

Fielding W. (may be William)

George W. 1845

I will keep you up to date on this line as I find out more. Or if you find

out anything let me know and I can fill you in more. I have several lines of Boley men of age to be Vincent's father. But have not found a place for him yet. Let me know what you think I have a little more on the Genty family genealogy not much a generation or or 2 more if you are interested.

Dear Mr. and Mrs. Bouley,

glad to hear that you are still
interested in the Society. It is of
great interest to you that the
Society is still going strong.

Dear Mr. Boley:

Thank you for your answer to my letter of Dec. 5 and your check in the amount of \$17.00. You returned two applications, one for the Historical Society and one for the Western Pa. Genealogical Society. Which society did you wish to join?

Our quarterly is scholarly and historic, which the WPGS Quarterly is genealogical in nature. They are separate organizations, the Genealogical Society meets in our building and uses our address and telephone number. It may be of more interest to you than the Historical Society. We will hold your check pending your decision.

You will find enclosed the copies you requested. They are from the History of Allegheny Co., Pa. published in Chicago by A. Warner, 1889 and reprinted, about the Lashell family; Sharon Kraynek's Allegheny Co., Pa. Cemetery Records, vol. 5, which includes Sharon Community Presbyterian Cemetery; and the Boley page from the Pittsburgh telephone directory. The place names are Brackenridge; Penn Hills, Pittsburgh, PA. 15235; North Versailles, Coraopolis, Elizabeth, and Bethel Park, PA. Your local post office will help you with the zip codes.

Sincerely,

Helen M. Wilson

CAPT. JACOB LASHELL (deceased), steam-
boat owner, captain, boat-builder, lumber
manufacturer and farmer, was born in Adams
county, Pa., July 13, 1812, a son of Jacob and
Mary E. (Clark) Lashell, natives of Adams
county. The grandfather of the subject of
this sketch was George Lashell, of Adams
county, who had a stage-line and a hotel.
Capt. Lashell came to Allegheny county in
1836 with Robert Cochran, and located at
what is now Lashell's Ferry. They cut wood
for steamboats the first winter, and Lashell
went on the river. He soon became captain,
then owner of the Caroline, Beulah and Mar-
ket Boy, and was part owner of the Melnotte.
He made seventy trips to New Orleans, and
was an able and intelligent man. He was
united in marriage Jan. 9, 1839, with Sarah
A. Boley, who was born on her father's
homestead, near Lashell's Ferry, Moon town-
ship, Allegheny county, Pa., Dec. 27, 1823, a
daughter of John and Mary (Downard)
Boley, natives of Washington county, Pa.
Mr. Boley served in the war of 1812. To
Capt. and Mrs. Lashell were born four
children: Mary, drowned at the age of ten
years; George A., married to Margaret Mc-
Elherren, and residing in Allegheny, Pa.;
John R., married to Elizabeth Onstott, and
residing near Sharon, Moon township, and
Leandra L., wife of William McKown, in
Robinson township. Capt. Lashell was
county commissioner one term; was a dele-
gate to the democratic convention, and was
county supervisor many years. He was also
justice of the peace for fifteen years. He
died April 11, 1886. Mrs. Lashell and fam-
ily are members of the Presbyterian Church.
She still owns the old place and ferry.

JOHN A. NEWTON, druggist, West Eliza-
beth, a son of William and Mary Jane (Mc-
Elheny) Newton, was born in West Eliza-
beth borough in 1850. His father was a native
of Baltimore, Md., and when a boy became
a sailor and followed the seas until he arrived
at maturity. He came here and readily found
employment—as ship-carpenter. His wife
was a descendant of one of the pioneer fam-
ilies of Western Pennsylvania, and to them
were born two children—John A. and C. A.
William Newton died in 1854; his widow
afterward married Louis Jester, and they are
now residents of West Elizabeth borough.
John A. made his home with his step-grand-
father, Willey, until thirteen years of age,
when he went to his mother's home and re-
mained with her until 1873. He married
Sarah, daughter of A. W. and Rebecca Bedell,
of West Elizabeth, after which he engaged
in the drug trade, which he still follows.

During the epidemic of scarlet fever which
prevailed here in 1880 they lost their first
three children—Walter S., Mary E. and
Washington O. They now have two chil-
dren—Ada L. and Emma B.

A. W. BEDELL, retired, West Elizabeth,
son of Andrew and Rebecca (Ferree) Bedell,
was born in Jefferson township in 1821. His
grandfather, Abner, came here from New
Jersey, was a soldier in the Revolution, and as-
sisted Lafayette from the field when wounded.
He located at Horse-Shoe bottom, above
Monongahela City, in Washington county.
Upon this place Andrew, father of A. W.,
was born, about 1794. In 1809 Abner pur-
chased a farm (of which John Wright was
patentee) in Jefferson township, where they
resided until 1824, when they removed to
Elizabeth township, where they lived and
died, Abner in 1874, his wife in 1878. In
1820 Andrew married Rebecca, daughter of
Joel and Christian (Kerkendall) Ferree, of
Jefferson township, and their children were
Mary (the late Mrs. Lewis Hoffman, of Jeffer-
son township), Joel (now in Charleston,
W. Va.), Calvin (in Jefferson township),
Amanda (now Mrs. James McKown, of
Elizabeth), William (who resides at the old
homestead), Sarah (now Mrs. Frederick
Rhodes, of South Side), Andrew and Re-
becca (both deceased) and A. W. Bedell (of
West Elizabeth). In the spring of 1828 the
father bought and removed to a farm in
Jefferson township (of which Z. Wright was
patentee).

May 14, 1846, the subject of this memoir
married Rebecca, daughter of Jacob and Jane
Aber, of Jefferson township, and settled on
the farm adjoining his old home, where he
remained until the spring of 1863, when he
purchased a farm still owned by him, and
upon which they resided until four years ago.
He then removed to his present place of resi-
dence in West Elizabeth. Their children
were Eliza J. (deceased wife of Joseph Lytle,
of Washington county), Amanda (wife of
William Lytle, of Washington county), Sarah
(now Mrs. John A. Newton, of West Eliza-
beth), Agnes (now Mrs. Florence Shepler, of
Beaver county), Mary (now Mrs. George
Cochran, of Jefferson township) and Emma
(now Mrs. Dora Moffatt, of Waynesburg,
Greene county). Mr. Bedell has never sought
political distinction, but has been identified
with his township officially, and is known as
a sturdy democrat.

GEORGE RICHEY, retired farmer, post-
office Verona, was born in County Down,
Ireland, in 1805, and was reared on a farm.
He married Mary Cherry, came to America
about 1847, and rented in Penn township,
being eighteen years on one place at
Vernor (now Verona) station. About fifteen
years ago he purchased twenty-one acres
near Verona, and has made his home there
ever since. His faithful helpmeet passed
away in 1886, aged seventy-six years. The
family is associated with the U. P. Church,
and includes nine children, now living: Will-

The Nicholas Boley we are looking for would be about 13 years of age. Believe he could be the son of George but also could be the son of William----

1860 film wasn't there 22 June so check later for Boleys.

1870 No Nicholas Boley right in the index so checked some of the census of Scotland and Knox Co MO. Only one that looked like maybe was pg 428 Jefferson Twp, Scotland Co. MO Memphis p.off. Jun 1870 165/167 Bolin, N.H. 33m IN by himself.

KNOW THIS IS NOT OURS:

Checked the census Index book and they had Nicholas listed in 1870 Scotland, Mt Pleasant Twp., MO Couldn't make out the house number as it was stapled.

After checking the book went back to the census and checked the complete Mt Pleasant Twp. and didn't find them listed myself.

Checked all Jefferson Twp, Harrison Twp and Mt Pleasant Twp. in Scotland Co. then Checked Greensburg Twp. in Knox Co. and didn't locate anyone.

Hi Gladys

My Boleys came from VA to KY to MO. I can only get back as far as Vincent Boley B: ABT 1790 KY. His son Fielding William Boley moved to MO and a lot of the family still lives in the state. Vincent's children were James R Boley B: 1808 VA and Fielding William B: 1811 KY. There is a John Boyles who moved in the same states and at the same time frame but I haven't been able to connect with a certainty. They lived in Chariton County, Carroll County, Sumner County, and Livingston County, MO. I'm hoping maybe you can help. Thank you for your time.

This could be beginning of our Boley line or not?

There is a Vincent Boley that maybe connected as well. He was located in 1810 KY census and had been said he may be from PA.

This info was on the internet by Frank and Joan Bouley.

His home page: <http://pages.prodigy.net/fbouley/index.html>

Also on: <http://worldconnect.genealogy.rootsweb.com/cgi-bin/igm.cgi?db=boley>
(May 20)

This info from Boley Family-Rootsweb: FreePages - Ancestry.com. 52 pages but couldn't print them out as my printer was acting up or they didn't want them printed (not sure which).

Did find one Vincent Boley b. ca 1780 VA and maybe died before 1840 KY and he was married to Ann Ball b ca 1780.

Maybe had two sons James R. Boley 1807 KY 1889 MO md 1 Jemima Gentry who d. 1852 and he married Elizabeth Phillips.

2nd son Fieldintg Boley b. 1811 KY md 7 Dec 1830 Adair Co. Ky to Elizabeth McDowell

1840-50 there was James R. Boley, Fielding and Samuel all in Carroll co. MO. (so could be likeliy they were related.

CHILD 2 - Fielding William Boley

Info from internet and Frank Bouley. Listed Fielding Wm Boley and Elizabeth McDowell as parents of Samuel, William and James V. Boley.

Stated Fielding and Elizabeth came to MO in the late 1830's and there was an older female with them (according to 1840 census). Since Vincent can't be found in the 1840 census for MO or Ky it is presumed that he must have died and it is his wife, Samuel's mother, who went with them. (not sure who Vincent is suppose to be).

Statement also was 1910 spokane census for Frank Sr. says his father was from KY and his mother was from VA. Dad used to say that he thought his grandmother was a "Bowen of Kentucky" Could he have mis-heard? (Since Elizabeth remarried, after Fielding left for the Colorado gold fields to a Bowen, it would make sense that Grandfather (Frank/Fielding) would have thought that his grandmother was a Bowen. He was three when she remarried.

This would appear that Fielding Boley died in the Colorado gold fields as hadn't come back in some time so wife married again thinking him probably dead.

Info from Jo Boley Wahlgren from the internet also gave some info on Vincent Boley located in the 1810 Ky census index. 1810 Gerrard Co. Ky. Not located in 1820 census index. He was in 1830 census of Adair Co. KY. Fielding Boley in Mercer Co. Ky 1830. Was not in 1840 census for KY or Mo. In 1840 there was a James R. Boley in Carroll Co. Mo along with Fielding Boley and in 1850 there was James R. Fielding and Samuel Boley in Carroll Co. MO. Need to

Samuel Came from Kentucky (according to sons notation on 1910 and 1920 Census for Spokane, Wa.).
| !Did some kind of mining as he was killed in a mine cave in and died in the arms of his son Frank, (Fielding) at which time Frank left home for the West Coast.

| !From "Complete Book of Immigrants 1700-1750" by Peter Wilson Coldham-p.162 : 16-19 April Shippers by the William and Elizabeth of London, Mr. William James, bound from Plymouth for Boston: Peter Gawden, SAMUEL BOULET. (Public Records Office, Chancery Lane, London: E190/1074/26). Is this Samuels ancestor perhaps? (Doubtful)

| !Missouri census for 1850 (reel M432 CARR 395 049 line 12)
lists: SAMUEL BOLEY 16 YRS. OLD-- FARMER-- BORN IN KENTUCKY (That would make his birth date in Kentucky as 1834) working for and staying with Logan H. Ballow age 33 and wife Ann,29.
| If this is Frank Sr. (Fielding's) father, he would have been 33 when he had Frank, which is reasonable since Frank was youngest of three. It also means he would have been in his late 20's for the Civil war.

| 101 (1988) for Missouri (in 1883) lists
292 (1988) for Missouri (1883) lists

14Oct1855 | 1. Samuel F. Boley married to Mary E. Beasley on
Clark | 2. Samuel F. Boley married to Charlotte Martha
5Apr1871

| Both marriages in Carroll County.
| Since Frank Sr. was born 5/Dec/1867 and his

mother died
shortly there-after, this fits.

| !Also another possibility. 1910 Spokane census
for Frank Sr.

says his father was from Kentucky and his mother was from Virginia. Dad
used to say that he thought his grandmother was a "Bowen of Kentucky"
Could he have mis-heard.? (Since Elizabeth remarried, after Fielding
left for the Colorado gold fields,) to a Bowen, it would make sense that
Grandfather

(Frank/Fielding) would have thought that his grandmother was a Bowen.
| He was three when she remarried.

| James C. Neagles, U.S. Military Records: A Guide to

Federal and
State Sources, p.286 1861-65 Although it was a slave state, Missouri
remained loyal to the Union during the Civil War. Guerillas fighting in
Missouri and along the Arkansas border attempted unsuccessfully to
separate Missouri from the Union. Missouri contributed 109,111 soldiers
to the Union effort during the Civil War, more than any other border
state. (See American Civil War in the appendix.)

Samuel listed as citizen of Hale, Carroll co. Mo. aged 52
in 1886

| From Jo Boley Wahlgren:
| I did obtain copies of military information about

him from the
national archives. The reason I have such an interest in Samuel is that
he served for the north in the 'war', my great-grandfather fought for
the 'south'...however, he was a member of the Missouri State Guard,
which

was later absorbed by the Confederacy. He was captured twice. The
first time, he went to prison and served a short time in Alton, IL.

The
second time, he escaped.

Notes

HUSBAND - Fielding William Boley

*Son Samuel in Find A Grave said his father Fielding William Boley 1811-1870 but they don't know when he died as never came back to MO after leaving for the Gold Fields of CO after 1850 so they assumed he had died. Which is why his wife Elizabeth md 2nd time to John Bowen, really not knowing for sure he Fielding was dead or not.

Info from internet and Frank Bouley. Listed Fielding Wm Boley and Elizabeth McDowell as parents of Samuel, William and James V. Boley.

Stated Fielding and Elizabeth came to MO in the late 1830's and there was an older female with them (according to 1840 census). Since Vincent can't be found in the 1840 census for MO or Ky it is presumed that he must have died and it is his wife, Samuel's mother, who went with them. (not sure who Vincent is suppose to be).

Statement also was 1910 spokane census for Frank Sr. says his father was from KY and his mother was from VA. Dad used to say that he thought his grandmother was a "Bowen of Kentucky" Could he have mis-heard? (Since Elizabeth remarried, after Fielding left for the Colorado gold fields to a Bowen, it would make sense that Grandfather (Frank/Fielding) would have thought that his grandmother was a Bowen. He was three when she remarried.

This would appear that Fielding Boley died in the Colorado gold fields as hadn't come back in some time so wife married again thinking him probably dead.

Info from Jo Boley Wahlgren from the internet also gave some info on Vincent Boley located in the 1810 Ky census index. 1810 Gerrard Co. Ky. Not located in 1820 census index. He was in 1830 census of Adair Co. KY. Fielding Boley in Mercer Co. Ky 1830. Was not in 1840 census for KY or Mo. In 1840 there was a James R. Boley in Carroll Co. Mo along with Fielding Boley and in 1850 there was James R. Fielding and Samuel Boley in Carroll Co. MO. Need to check census for ages and othe info.

1850 Carroll, Carroll Co. MO: Filding W. Boley 39 KY, Elizabeth 24 KY, Samuel F. 15 Ky, James v. 13 KY, William A. 11 Mo, Rheobe A. 8 Mo, Benjamin L. 1 MO.

(so not in 1860 so if he went to Gold Fields of CO he went after the 1850 cemsus.

1870 Carroll Co, MO: William F. (A) 21 KY, Martha 22 VA, Mary S. 3 Mo, Martha A. 1 MO,
 ELIZABETH BOLEY 53 KY (Williams mother, maybe widow of Fielding William Boley)
 then she md 6 Dec 1870 to John Bowen (which can't find either one in Find A Grave or census in 1880 or 1900)

WIFE - Elizabeth McDowell

Info from internet and Frank Bouley. Listed Fielding Wm Boley and Elizabeth McDowell as parents of Samuel, William and James V. Boley.

WIFE - Elizabeth McDowell

Info from internet and Frank Bouley. Listed Fielding Wm Boley and Elizabeth McDowell as parents of Samuel, William and James V. Boley.

Stated Fielding and Elizabeth came to MO in the late 1830's and there was an older female with them (according to 1840 census). Since Vincent can't be found in the 1840 census for MO or Ky it is presumed that he must have died and it is his wife, Samuel's mother, who went with them. (not sure who Vincent is suppose to be but maybe father of Fielding William Boley).

Statement also was 1910 Spokane census for Frank Sr. says his father was from KY and his mother was from VA. Dad used to say that he thought his grandmother was a "Bowen of Kentucky" Could he have mis-heard? (Since Elizabeth remarried, after Fielding left for the Colorado gold fields to a Bowen, it would make sense that Grandfather (Frank/Fielding) would have thought that his grandmother was a Bowen. He was three when she remarried.

This would appear that Fielding Boley died in the Colorado gold fields as hadn't come back in some time so wife married again thinking him probably dead.

Also from the internet from Jo Boley Wahlgren said Fielding left Carroll Co. in the late 1850's to go to the gold rush in Colorado and never returned. Elizabeth married a John Bowen 6 Dec 1870 in Little Compton, Carroll Co. Mo. She is in the 1860 census living with William and his family in Brunswick, Chariton Co., MO. Also stated Elizabeth was the daughter of John and Phoebe (Franklin) McDowell. Phoebe's father was Edward Franklin. John's parents were Ephraim McDowell and Elizabeth (Agnes?) Burns. This info from an ancestor chart compiled by a Charles McDowell, 2210 N. Kilpatrick, Chicago, IL 60639 dated 5-19-88. Also stated Elizabeth had a brother George and his son Julius Ephraim McDowell and his son Amos McDowell died 1950 Pasadena, TX.

Also stated a stone for Elizabeth Boley Bowen was in the Hurricane Cemetery between Hale and Bosworth, MO but didn't list any dates.

There was much on the McDowell family also that was put on the internet by Frank Bouley.

1850 Carroll, Carroll Co. MO: Filding W. Boley 39 KY, Elizabeth 24 KY, Samuel F. 15 KY, James V. 13 KY, William A. 11 MO, Phoebe A. 8 MO, Benjamin L. 1 MO.

McDowells very prominent in Ky also & maybe of Tenn.

If this is Frank Sr. father, he would have been 33 when he had Frank, which is reasonable since Frank was youngest of three. It also means he would have been in his late 20's for the Civil war.

IGI (1988) for Missouri (p.1803) lists:

1. Samuel F. Boley married to Mary E. Beasley on 14Oct1855
2. Samuel F. Boley married to Charlotte Martha Clark 5Apr1871

Both marriages in Carroll County.

Since Frank Sr. was born 5/Dec/1867 and his mother died shortly there after, this fits.

Also another possibility. 1910 Spokane census for Frank Sr. says his father was from Kentucky and his mother was from Virginia. Dad used to say that he thought his grandmother was a "Bowen of Kentucky" Could he have mis-heard.? (Since Elizabeth remarried, after Fielding left for the Colorado gold fields, to a Bowen, it would make sense that Grandfather (Frank/Fielding) would have thought that his grandmother was a Bowen. He was three when she remarried.

James C. Neagles, U.S. Military Records: A Guide to Federal and State Sources, p.286 1861?65 Although it was a slave state, Missouri remained loyal to the Union during the Civil War. Guerillas fighting in Missouri and along the Arkansas border attempted unsuccessfully to separate Missouri from the Union. Missouri contributed 109,111 soldiers to the Union effort during the Civil War, more than any other border state. (See American Civil War in the appendix.)

He was in the 1830 census in Adair Co, Ky. ELIZABETH MCDOWELL (ABT 1817-?)

Sent to me by Jo Boley Wahlgren:

Elizabeth McDowell is the daughter of John and Phoebe (Phebe?) (Franklin) McDowell. Phoebe's father was Edward Franklin. John's parents were Ephraim McDowell and Elizabeth (Agnes?) Burns. This information came from an ancestor chart compiled by a Charles McDowell, 2210 N. Kilpatrick, Chicago, IL 60639, dated 5-19-88. (this would probably account for all the Phoebe's, Elizabeth's, and Franklin's we have popping up everywhere in our 'tree') Also on this chart is George McDowell who apparently is the son of John (and brother to Elizabeth Boley) and under George is Julius Ephraim McDowell. And his son is Amos McDowell, died 1950, Padadena Texas (which I would assume is the father of the compiler).

Also from Jo Wahlgren:

By the way....I found the cemetery that my g-grandmother Boley was buried in when I visited home last. Her name was Martha Ellen Bowlware Boley and she was buried in the Hurricane Cemetery between Hale and Bosworth.

Anyway....I didn't get to visit with my aunt Norma on that visit but after talking with my mother later, my mom said that the stone right next to hers was Elizabeth Boley BOWEN!!!! She was right there under my nose!!!! This cemetery isn't hard to get to so the next time I'm there I'll be sure to take a picture of her stone. SHE WAS RIGHT THERE AND I DIDN'T SEE HER!!!

Sent to me by Jo Boley Weighen.
 Elizabeth McDowell is the daughter of John and Phoebe (Phebe)
 (Phebe) McDowell. Phoebe's father was Rowland Franklin. John's
 parents were Ephraim McDowell and Elizabeth (Agnes?) Burns. This
 information came from an ancestor chart compiled by a Charles McDowell,
 2210 N. Halsted, Chicago, IL 60614, dated 8-18-04. (This would

From Eric Gordon-I have just a little about the McDowells. I believe
 that the father of Elizabeth McDowell was John and his wife was Phoebe
 Franklin and they were from Tennessee. Elizabeth was born in Tennessee
 also, I believe. I am going to have to do some more research on them
 myself because I think that we may be related to them or some of their
 like on my father's side of the family. They were all from Virginia and

Missouri.

Fielding went to the Goldrush in Colorado in 1858 and never returned.

In 1870 Elizabeth re-married a John Bowen in Little Compton, Carroll Co., Mo.

Grandfather Frankl (Fielding) Bouley would have been three at the time and this would account for the stories dad told. ie: "I believe dads mother was a Bowen of Virginia" (He would have been referring to grandpas grandmother.

JOHN MCDOWELL (1768-1831)

John McDowell moved to Adair County KY about 1816. On May 3, 1821 he was appointed Attorney to handle any land in KY left by Edward Franklin father of wife Phebe. Their children Matthew, Agnes, John, George, Elizabeth born abt 1809. Married December 7, 1830 Fielding Boley son of Vincent Boley, and son Samuel. Matthew was not John and Phebe's natural son and he married their daughter Agnes. Their children Jesse, James, Berry and Nancy. Jesse is the line we descend from. It also mentions Elizabeth Boley appears on various deeds in Carroll County, Missouri.

John McDowell was a State Legislator

McDowell family was large in Ky. and seems to have been fairly important.

Frank,
When I told our great, great Aunt that we had connected with you, I
can't tell
you how excited she got. She was totally excited, wanted to hop a plane
and
fly to NJ. She has been doing research for 20 years and didn't get far,
but
kept at it. Until recently when she and I found each other did things
start
coming together. I am so happy that we found a cousin.
The package you are preparing for me on the Boley line through Elizabeth

McDowell is exactly what I want. I am very excited about it's arrival.
I
don't want just the direct lines of the family, you see I want it all if
I can
get it. Margaret (great, great Aunt) is also excited to see what your
family
line was. Margaret is getting prepared to leave the 4th for CA and she
will
be meeting a cousin on the side of our family that married into the
McDowell's. They will be meeting for the first time, another one that I

connected with over the internet, what a wonderful source. Hopefully
one day
we will meet, probably when we come to NJ to do some research and walk
where
our relatives once walked. Thank you for putting that query in the

Hello all .
I have received more info on my Boley relatives who lived

So far I know my line starts with Landelin Boley aged 40 in the Perry
county
Ohio 1850 census. Wife was Elizabeth Beaver born in Pa. I have been
told
they met and married in Allegheny county .
Oldest son Christian Boley born in Pa. is age 14
Mary Boley is 11 born in Ohio
Rosean age 8
John T age 5
Joseph Age 1

I still have not received papers from a relative who tells me that they
might know info back to Landelins father and maybe grandfather in
Germany. I
was told that the info was given to the church of LDS. My family history
center is only open 4 hours a week and I have never been able to get

CHILD 1 - Elizabeth Boley (Continued)
1880 would be age 22.

CHILD 2 - Samuel F. (S.F.) Boley Jr.
Didn't locate them in Find A Grave. So don't have a death date for them.

Located a Marriage Record of S.F. Boley to Ella Fitzgerald 11 Dec 1884 Chariton Co. MO

Didn't locate another marriage for Samuel F. Boley to any Margaret Ellen ?Unknown (so must be a second wife and if Mother may have had children by a former mg, if not Ella Fitzgerald?)

Did locate his death in Family Search and then Find A Grave listed as Samuel Boley, death as 21 Apr 1932 Muskogee, Muskogee, OK and buried in Greenhill Cemetery. No birth date.
Here also was Margaret Ellen Boley b. 8 Jan 1863 and died 27 Sep 1949 same place and burial at same cemetery Plot: Block 66 Also says "Mother" at the top of grave marker which there is a picture of an also entrance to Greenhill cem. Looks like their might have been something on the bottom of her grave marker but is all covered with white so don't know what that is.

Internet info from Frank and Jean Bouley. Not sure but maybe in Carroll Co. and not Livingston.

Was located an article in the August 20, 1998 paper in the "Reflections of the Past" column, in the 90 years ago section there was a small piece from the Weekly Brunswick, Friday, Aug. 28, 1908.

"The Triplett Tribune says that S.F. Boley has located a barger shop at Whitham, and he invites the public to give him a trial. He guarantees the best of work and sanitary towels. For the present the shop is located in the blacksmith shop" Believe to be this Samuel F. Boley b. 1862?

Triplett is just about 5 miles north of Brunswick on highway 11.

Need to check census to know for sure.

1870 would be age 8, with parents.

1880 would be age 18.

1900 didn't locate either one anywhere.

1910 census of Samuel F. Boley age 48 MO, b. 1862 MO in Conway, Ward 2, Faulkner, Arkansas DIVORCED. Lived with Charles A. Mitchell 49 PA, Partner. Both at Missionary as Home Mission

1920 census Muskogee, Ward 3, Muskogee OK, Samuel F. Boley age 59 b. 1861 MO listed as Preacher-Mission and wife listed as Ellen Boley 54 IN, b. 1866 also Preacher-Mission (don't know if this is same first wife or a 2nd wife for sure?)

1930 didn't locate either one anywhere.

CHILD 3 - Fielding William (Frank Williamson) Boley (Bouley)

(His family info handed down to me thru other later family members after I started doing genealogy of the family in 1969-GLT).

Info on Fielding William Boley as he was named by birth but took the alias Frank Williamson Bouley when he left home, from the internet and by Frank Bouley who is descended from him.

He said he was born Fielding William (or Franklin) Boley 1867 at Wheeling, Livingston Co. MO 2 years after the Civil War. He changed his name to Frank Williamson Bouley and also had stated he was born in Wheeling, West Virginia. His father had worked in a mine in MO and was killed in a mine cave in and died in Frank's arms in 1888. At which time he ran away from home and eventually joined a traveling Minstral show as he next turns up on the West Coast as a full fledged dancing master and had changed his name by this time.

Info on from the Internet sent to Frank Bailey by Jim Fields wife, Pat Fields. She said George Bailey was the youngest of the 5 living children who was about 20 years old when Charlotte Bailey was killed by the cave in of a small coal mine he was working on the family's place. Grandda Bailey moved to town and supported the family by taking in washing and with the \$15 a month widow's pension and at her death it was \$23 a month raised for child care.	
1 (Pat) believe Anita Bailey Davis was his daughter and she lived in Salem, Oregon at time I had contacted her. I recently checked for a land grand for Samuel Franklin Boley on the
Bureau of Land Management board.(GLO)

<http://www.glorerecords.blm.gov/>

His application was on file and I was able to download it but I thought
it would be nice to have a clean copy. I found that I could order the
document from them on the net in parchment form for \$1.50.
Who could resist at that price. I ordered the parchemnt and received it
in about 10 days. The governments cost for postage was .79 cents.
My cost was \$1.50 and I now have a piece of source material suitable for
framing.
You can't beat that.

Greetings!

Sorry for the delay in responding. But...I hadn't had anything new.

While I was in northern Missouri in July, I stopped in Brunswick (Chariton Co.) and subscribed to their weekly newspaper...The Brunswicker. I should have done this when I left home 20 years ago. This is 1 of the 2 newspapers in the county and there is a lot of news of my former classmates in it.

This particular S.F. Boley is, I believe to be Samuel F. Boley, b. 1863, son of Samuel F. and Mary E. Beasley Boley. He was married to Ella Fitzgerald 11/11/1884 in Chariton Co. This is all I have on this particular person.

Triplett is just about 5 miles north of Brunswick on highway 11.

The person who compiles this column is Dee McAbbe. Apparently she has the file of the past "Brunswicker's".

Thank you for sending all the info on the Boley's, I for one really appreciate it. You don't always do collateral lines and such so is nice to share and that way all benefits from the research. Like I said before if I have any info you would be interested in please let me know. I have corresponded with Gary and Jackie Watson (cousins) as they descend from my same direct line. We pretty well agree on info as have exchanged what we have.

Frank,
Here is a list of Boley's that I have found on my last two trips to Northern Missouri. Have you ever found the Boley surname where you thought it was not connected in any way. Anyway there seems to be quite a few Boley's in the Northern part of Missouri and in fact we talked to one still living and she is 97 years old. Please take a look at this list and see if any fit into our lines..... Thanks

First of all, thank you for the material you have forwarded to us re the Boley's. It is most kind and generous of you.

My husband's grandmother was Susan Caroline Boley, daughter of Charlotte Martha Langley & Samuel Franklin Boley.

Susan Caroline Boley was called Aunt Callie & she married Al Fields and moved to Big Piney Wyoming where he was a manager of The Mule Shoe Ranch. They later separated.

George Boley, brother of above, was the youngest of the 5 living children who was about 3 or 4 yrs. old when Grandpa Boley was killed by the cave-in of a small coal mine he was working on the family's place. Grandma Boley moved to town and supported the family by taking in washing and with the \$15/month widow's pension. At the time of her death, it was \$32/month!

I believe Anita Boley Davis is George's daughter and when I was in contact w/her lived in Bend, Oregon.

There is something in the papers about Susan homesteading in Rangeville, Idaho for a while.

Anita's birth is recorded in Grandma Boley (Charlotte) Oxford Bible Teacher's Edition. Copyright by Van Cleve - Andrews Pub. Co. 1892 from the Olivet Series. History of George Boley's family in family bible in possession of Ken & June Boley.

I remember my husband Jim and I (Pat) tried contacting Ken & June Boley re said bible, but they didn't know where it was.

Again, many thanks for all of the information. If I come across more, I will pass it along.

By the way....what town & state do you live in?

We are in Scottsdale, Az.

Aunt's birth is recorded in Grandma Boley (Chaffetz) Oxford Bible Teacher's Edition, Copyright by Van Cleave - Andrews Pub. Co. 1925 from the Claret Series. History of George Boley's family in family bible in possession of Ken & June Boley.

I remember my husband Jim and I (Pat) first contacting Ken & June Boley to send bible, but they didn't know where it was.

Again, many thanks for all of the information. If I come across more, I will pass it along.

By the way... what town & state do you live in?

I know more about my husbands ancestors than he does. I think he wonders
sometimes how I can get all excited about a bunch of dead people! But if
you think about it...the things that happened to our ancestors is what other people write about and use it as fiction!!

The barber shop article took me by complete surprise. I have only been receiving "The Brunswicker" for about 4 weeks now and I had never really paid attention to the "reflections" column. I guess I'll pay closer attention from now on. When I visit my home area again, I may call the lady that does that article and see if it is possible to view some of the
old papers. There were tons of our family members that lived in that area
at that time...and if that made the paper, heaven knows what else did.

By the way....I found the cemetery that my g-grandmother Boley was buried
in when I visited home last. Her name was Martha Ellen Bowlware Boley and
she was buried in the Hurricane Cem. between Hale and Bosworth.
Anyway....I didn't get to visit with my aunt Norma on that visit but after
talking with my mother later, my mom said that the stone right next to hers
was Elizabeth Boley BOWEN!!!! She was right there under my nose!!!!
This
cemetery isn't hard to get to so the next time I'm there I'll be sure to take a picture of her stone. SHE WAS RIGHT THERE AND I DIDN'T SEE HER!!!

Happy hunting!! Jo

You passed my name along to Cherie Williams. We know some of the same people and someone in her direct line lives next door to my mom. What a small world.

I have a "deep need" to CALL my aunt. She doesn't use a computer, so I can't e-mail her and snail-mail is a pain! Besides, I LOVE to talk on the phone (but my husband has other ideas about that). If I find anything new, I'll let you know.

WIFE - Margaret Ellen ?Unknown

Margaret Ellen was married to Samuel Franklin Boley after 1910 and before 1920 (unless she was his first wife Ella Fitzgerald, which don't think was as they were divorced before 1910 after being married in 1884 Chariton Co. MO)

So this Margaret "Ellen" age 54 IN was living with Samuel F. Boley age 59 MO in 1920 OK census and didn't locate them in 1930 OK. Her gravestone listed her as born 1863 and d. 1949 and buried in same cemetery as Samuel Boley who died Apr 1932. Top of her stone was listed "Mother" and the bottom of the stone looked like there might have been something written but was covered with looked like white paint in the picture from Find A Grave site.

1920 Muskogee, Ward 3, Muskogee Co. OK: Samuel F. 59 MO and Ellen 54 IN wife. Both listed as Preacher-Mission.

1930 neither located in OK as should have been.

1910 Conway, Ward 2, Faulkner, AR : Samuel F. Boley 48 MO, Divorced, head, Missionary, Home Mission living with Charles A. Mitchell 49 PA Partner, Missionary, Home Mission. Single

WIFE	- Margaret Ellen ?Unknown (Continued) If Margaret Ellen is a different person she would have been married before as to old to have children after she married Samuel F. Boley. Apparently she was a Mother as listed on her grave marker. Quite a confusing family and much more research needs to be done to clarify everything.

Husband	Fielding William FW Bouley (Bouley)
Wife	Thelma C. Hillbrick
Notes HUSBAND - Fielding William (Frank Williamson) Bouley (Bouley) *Find A Grave internet site listed his birth and death dates and places. Listed as Frank W. Bouley. Pic of his grave marker with his info in the middle and his wife on the top row and his son Frank W. Jr on the bottom all on the same stone. also a picture of him when middle age I guess. Father samuel Franklin Bouley 1834-1888, spouse: Thelma C. Hillbrick 1887 -1966 and listed 1 of 3 children, Frank W. Bouley Jr 1905-1966. 2 siblings. Dancing Master for 40 years in Spokane, WA then moved to Seattle. (copy) (His family info handed down to me thru other later family members after I started doing genealogy of the family in 1969-GLT). Info on Fielding William Bouley as he was named by birth but took the alias Frank Williamson Bouley when he left home, from the internet and by Frank Bouley who is descended from him. He said he was born Fielding William (or Franklin) Bouley 1867 at Wheeling, Livingston Co. MO 2 years after the Civil War. He changed his name to Frank Williamson Bouley and also had stated he was born in Wheeling, West Virginia. His father had worked in a mine in MO and was killed in a mine cave in and died in Frank's arms in 1888. At which time he ran away from home and eventually joined a traveling Minstral show as he next turns up on the West Coast as a full fledged dancing master and had changed his name by this time. Frank always stated in all official papers that he was born in Wheeling, WV but there is no record. However there is a record for him in Wheeling, MO. It appears that he wanted no association with home. He was in Seattle and Vancouver in 1902 and settled in Spokane, WA in 1904. He owned a large 18 room Tudor Mansion at 719 W. 6th, Spokane, WA at one time. He moved from Spokane to Seattle, WA in 1943 and opened a costume shop and a dancing school. Where he died of a heart attack in 1944 while giving a dancing lesson at the age of 77. He died at the Virginia Mason Hospital age 76 yr 6 mo 21 days of Chronic Mephritis, Acute Pulmonary and cardiac dilation. Buried at the Lakeview cemetery, Seattle, WA. In the Dance Publicity Program that he published it states that he established his School in Spokane in the fall of 1901. This brochure, which was printed in 1914 says "Prof. F.W. Bouley has had 22 years experience". If this is correct it means that he began dancing in 1892, at the age of 25. Which would be 4 years after his fathers death and his leaving home. 1910 Spokane, WA census Frank W. Bouley age 42 md 6 years, b. W.VA, Dance Instructor, Father born KY and mother born VA. Some collected notes on BOULEY/BOLEY/MCDOWELL which may have been sent previously (I apologise for that but can't remember what I have sent).

Some of you will be receiving copies of what you sent. Again I apologise. Let's hope this can stir muddy waters and perhaps unearth something new.

Born Fielding William (or Franklin) Boley in Wheeling, Livingston County, MO. 2 years after end of Civil War.

His father worked some kind of a mine in Missouri and was killed in a mine cave in and died in Franks arms in about 1888** at which point he ran away from home and evidently joined a travelling Minstral show because he next turns up on the West coast as a full fledged dancing master. Info on from the internet sent to Frank Bouley by Jim Fields wife, Pat Fields. She said George Boley was the youngest of the 5 living children who was about 3 or 4 years old when Grandpa Boley was killed by the cave in of a small coal mine he was working on the family's place. Grandma Boley moved to town and supported the family by taking in washing and with the \$15 a month widow's pension and at her death it was \$32 a month raised her children.

I (Pat) believe Anita Boley Davis was his daughter and she lived in Bend, Oregon at time I had contacted her. Anita's birth is recorded in Grandma Boley (Charlotte) Oxford Bible Teacher's Edition. pub 1892 from the Olivet Series. History of George Boley's family in family bible in possession of Ken and June Boley.
